

I have many thank you's to hand out this month!

Many thanks to the Parish Council and all of our church members who helped make our annual Harvest Banquet a huge success. Due to an earlier engagement, I was unable to attend this year's banquet and I heard I missed out on one of the best we have had in some time. Special thanks to Nick Kazarian for coordinating and M/C'ing the entertainment portion of the banquet.

Our Raisin Round Up is gearing up to be a huge success. I have many people to acknowledge in future reports and in the Orchard. The dollar amount of donations once all the raisins are delivered, will astonish you! A detailed report will be available to all of you soon.

Please do not forget about our Save Mart Saves program! We are still receiving quarterly payments between \$400-\$600 that were earned by your shopping at Save Mart. Cards are still available and thank you to all of you who support this program.

A.P.A. updates for the church and the hall have been donated by the Sadie Tahmazian Family and the Harry Stepanian Family. These were items that needed upgrading and we hope that past microphone problems are now solved.

We look forward to seeing you all in church during the month of December as we celebrate Christ's birth together.
